# ROB NEILSON

**HEAD COACH**  
**Fourth Year at Utah State**  
**Alma Mater: BYU, 2006**  
**Overall Record: 49-30**

Rob Neilson is in his fourth season as the head coach at Utah State, having been hired as the 11th head coach of the program in January, 2020.

During the 2022 season, Neilson led the Aggies to their first-ever Mountain West Tournament Championship and first NCAA Tournament berth since 2010, and just the program's fifth-ever appearance. The Aggies finished the campaign with a 22-11 overall record which was the first time USU has recorded at least 22 wins in back-to-back seasons since 1982.

Neilson coached two Aggies to all-conference honors in middle blocker Kennedy Boyd and outside hitter Tatum Stall, while four Aggies were named to the MW

all-tournament team, including outside hitter Shelby Capllonch, who was named the MVP. Off the court, Beatriz Rodrigues and Kylee Stokes were named CSC Academic All-District.

Neilson was named the 2021 Mountain West Coach of the Year after leading the Aggies to a share of the regular season conference title. USU finished the year with a 22-9 record, the most wins since 2010. Utah State posted 14 MW wins, the most since 2012, and 12 home victories, the most since 1979.

Neilson coached three Aggies to all-conference honors as Larsen, outside hitter Kristy Frank and Stall were named to the all-MW team. Off the court, Utah State had 10 players earn academic all-MW honors and 10 were named MW Scholar-Athletes.

Neilson took over the USU role at a challenging time, facing issues due to the COVID-19 pandemic. Playing a condensed season of conference-only matches in the spring of 2021, he led the Aggies to a 5-10 record, more than doubling the team's win total from the previous year.

In the classroom, Utah State had 11 players earn academic all-MW honors and eight were named MW Scholar-Athletes.

Under Neilson, the Aggies saw improvement in nearly every statistical category over the 2020 season. At the conclusion of the season, Larsen was named an honorable mention all-Mountain West selection.

Neilson came to Utah State with 14 years of coaching experience at the collegiate and international levels. He spent the last three years as the first assistant with the U.S. Men's National Team. He helped Team USA to a bronze medal at the 2018 World Championships, the team's first medal finish in 24 years. In 2019, the team took silver at Volleyball Nations League and medaled in its last four major international competitions. In 2017, Neilson developed offensive game plans for the team before switching to the defensive side for the 2018 and 2019 seasons.

Before joining Team USA, Neilson spent 10 seasons on the men's volleyball staff at BYU. He was an assistant coach under Shawn Patchell from 2006-10, serving as the team's recruiting coordinator and overseeing player development. He then spent the 2011 season as interim head coach, guiding the team to a 20-8 record and a No. 2 national ranking.

Neilson returned to an assistant coaching role at BYU in 2012 under Chris McGown, before being named associate head coach prior to the 2014 season. In that position, he continued overseeing recruiting and player development, adding in practice and game planning, scheduling and donor and alumni relations. He guided the Cougars to two conference championships and a second-place finish in the NCAA Tournament in 2013.

Neilson spent the summer of 2011 as an assistant coach for the USA Youth National Team, competing at the Pan-American Cup in Mexicali, Mexico and the Youth World Championships in Buenos Aires, Argentina. He briefly stepped away from coaching in 2015, working with VolleyMetrics until he joined the U.S. Men's National Team staff.

Neilson played at BYU from 2003-06, where he was the starting setter in the 2005 and 2006 seasons. He helped the Cougars to the 2004 NCAA championship, and posted an overall record of 91-31 in his career. Neilson tallied 2,790 assists in his career, which ranks fifth in the BYU record book in the rally scoring era. Additionally, he is eighth in block solos, recording 28 in his career.

Neilson earned a bachelor's degree in neuroscience at BYU in 2006, while also completing his MBA there in 2013. He and his wife, Sarah, have five children, Etta, Liam, Charlotte, Whit and Lois.

## CHLOE HIRST

**ASSOCIATE HEAD COACH**  
Fourth Year at Utah State  
Alma Mater: Idaho State, 2016

Chloe Hirst is in her first season as associate head coach for Utah State volleyball and fourth season overall with the program after being hired in February, 2020.

During the 2022 campaign, Hirst helped lead Utah State to its first-ever Mountain West Tournament Championship and first NCAA Tournament berth since 2010, and just the program's fifth-ever appearance. The Aggies finished the campaign with a 22-11 overall record which was the first time USU has recorded at least 22 wins in back-to-back seasons since 1982.

Prior to the start of the 2022 season, Hirst was named a 2022 American Volleyball Coaches Association (AVCA) Thirty Under 30 award winner. The awards program, created in 2009, honors up-and-coming coaches at all levels of volleyball—college, high school, and club—and the recipients serve in a range of roles, from head coach to volunteer assistant to club director. Nominees had to be younger than 30 years old in 2021 to qualify for the award.

In the 2021 season, Hirst helped lead the Aggies to a share of the Mountain West regular season title. USU finished the year with a 22-9 record, the most wins since 2010. Utah State posted 14 MW wins, the most since 2012, and 12 home victories, the most since 1979.

Playing a condensed spring season due to the COVID-19 pandemic, the Aggies posted a 5-10 record in the first year under the new coaching staff.

Prior to joining the Utah State staff, Hirst worked as the director of volleyball operations at two in-state schools. She spent the 2019 season at Utah and the 2018 campaign at Weber State. At Utah, she held the same position for both the indoor and beach volleyball teams. In her operations roles, Hirst served as day-to-day support for each coaching staff, while running the statistics and scouting programs in practices and matches. She also helped coordinate special events at Weber State and oversaw team travel at Utah.

Hirst's previous coaching experience came at the club level, where she served as a head coach with Club V. She has also worked as a lead court coach for volleyball camps at Idaho State, Weber State and Utah. As a player, Hirst competed at Idaho State from 2013-17. She earned all-Big Sky honors as a junior and senior, and was on the all-academic team each year of her career. An outside hitter, Hirst finished her career with 1,110 kills, which ranks 11th all-time at ISU.

Hirst graduated from Idaho State with both bachelor's (2016) and master's degrees in physical education (2017). A local product, Hirst grew up in Bountiful, Utah, where she prepped at Woods Cross High School.

## TORRE GLASKER

**ASSISTANT COACH**  
First Year at Utah State  
Alma Mater: UC Santa Barbara, 2020

Torre Glasker is in her first season as an assistant coach for the Utah State volleyball team after being hired in April, 2023.

Glasker joins the Aggies after spending the last two seasons as an assistant at San Francisco State, helping the Gators to a 36-16 combined record. She helped SFS lead the CCAA in both assists per set (12.54) and kills per set (13.39) in the 2022 campaign. She helped coach a pair of Gators to first-team all-CCAA honors in 2022 as Kimberly DeBoer was named the Setter of the Year and Tamiya Wilson was the Freshman of the Year. Glasker also helped three players earn all-conference honors in 2021.

Before heading to the Bay Area, the native of South Jordan, Utah, served as a volunteer assistant coach at her alma mater, UC Santa Barbara. Prior to that, she was a graduate manager at Ole Miss for the 2020 season. While in Oxford, she was named one of 40 recipients of the 2020 Diversity Awards by the American Volleyball Coaches Association (AVCA). Glasker has also served as a club coach for Oxford Volleyball Club in Mississippi and Club GSL and Wasatch Beach Volleyball, both in Utah.

Glasker earned her master's in higher education from San Francisco State. She graduated with a bachelor's in sociology from UC Santa Barbara and was a member of the Big West all-Academic Team as a senior as she helped guide the Gauchos to a 23-6 mark – the program's best record in 15 years – and the program's first-ever NCAA Tournament win. She appeared in 56 matches over two seasons and tallied 317 kills with 605 digs. Glasker was the recipient of the Cho Guts Award, given to the player who consistently gives 100 percent effort and inspires her teammates. She received the team's leadership award as a senior.

Glasker began her collegiate career at Utah. As a libero, she led the Utes to back-to-back NCAA Tournament appearances, including a trip to the Sweet Sixteen her sophomore season.

## KENZIE SHAND

Alma Mater: Washington and Lee, 2017

Kenzie Shand is in her first season as the director of volleyball operations at Utah State after being hired in February, 2023.

In her position, Shand oversees day-to-day aspects of the team, including team schedule management and travel logistics. She also manages the program's budget and alumni communications, and helps the coaching staff coordinate its recruiting efforts.

Shand previously was an assistant coach at Kenyon College during the 2021 and 2022 seasons, where she assisted in budget management, travel arrangements, team practices, statistical analysis, film breakdown, recruiting, scouting, player development, admissions processes and social media.

In 2018, she was hired as the coaches coordinator at Huron Valley Volleyball Club in Saline and, that same year, took on duties as assistant varsity volleyball coach at Saline High School.

Additionally, Shand spent some time at the University of Michigan, working as both a volunteer video coordinator and a summer coach.

A 2017 graduate of Washington and Lee University, Shand was a four-time all-conference honoree and a three-time all-region award winner. She was twice named team captain, made the 2016 College Sports Information Directors of America (CoSIDA) Academic All-District Team and was a three-time All-America honorable mention pick by the American Volleyball Coaches Association (AVCA).

A middle blocker during her playing days, Shand racked up 448 blocks to set the career record at Washington and Lee. She also finished her career with a .375 hitting percentage, which stands as the second-best mark all-time at the university.

**Annette Viola Cottle (1993)** - Annette Viola Cottle was a four-time AIAW All-American in volleyball from 1976-79. She also was named to the Region VII all-conference team four straight years. Cottle earned the Broderick Award in 1978 as the most outstanding volleyball player in America after leading Utah State to the national championship—the school's first-ever team national title. She also helped the Aggies capture second place in the 1979 AIAW Championships. Cottle won a gold medal in the 1979 U.S. Sports Festival and she was a member of the 1979 World University team which finished fifth. She also participated in basketball at Utah State. Cottle served as head volleyball coach at Utah State from 1982-84. She was a six-time United States Volleyball Association All-American (1981, 1989-93) and two-time USVA MVP in the Senior Division (1991 and 1993). Cottle was the recipient of the 1993 Leadership Award from the Utah Network for Girls and Women in Sports.

**Elaine Roque (1994)** - Elaine Roque transferred from UCLA to Utah State in 1979 and established herself as perhaps the greatest volleyball player in school history. Roque, who earned first-team All-America honors as a senior, helped the Aggies attain the nation's No. 1 ranking during the 1979 season. She eventually led USU to a second-place finish in the AIAW nationals at 35-5. Following graduation, Roque has become one of the premiere professional players. She was named Sportswoman of the Year in 1990 and 1992. In addition, Roque twice has been voted Best Blocker on the WPVA Tour (1991 and 1993). She ranked fourth in World Beach Volleyball in 1994. Roque and her partner Gail Castro also ranked third on the 1994 WPVA Tour. She represented the United States in the 1994 World Series Tournament in Puerto Rico.

**Karolyn Kirby (1995)** - Karolyn Kirby was a two-time AIAW volleyball All-American at Utah State, leading the Aggies to three-straight top 10 national finishes from 1979-81. Kirby helped USU to a combined record of 106-38 (.736) during her three-year career, including a second-place finish in the 1979 AIAW Nationals at 35-5. The Aggies finished eighth nationally in 1980 and third in 1981. Kirby also was a two-time Intermountain All-Conference selection (1980-81). A member of the Women's Professional Volleyball Association (WPVA), she teamed with Liz Masakayan to dominate the tour in 1993 and 1994, winning 23 of the 26 circuit events, losing only eight games in the process and producing a 55-match winning streak during one stretch. Kirby and Masakayan also won the title at the 1994 Goodwill Games in St. Petersburg, Russia.

**1978 National AIAW Championship Team (2008)** - It was a dream season for the Utah State volleyball team in 1978. Coached by Marilyn (McReavy) Nolen and Mary Jo Peppler, the 1978 Aggies became the first team in Utah State history to capture a National Championship by defeating UCLA in four games in Tuscaloosa, Alabama. Led by All-Americans Annette Cottle, Sandy Lynn and Lucia Chudy, Utah State notched a 42-4-2 record during the season, including 26-straight wins to start the year. USU then concluded its season with a 12 match winning streak, including its victory in the AIAW (Association for Intercollegiate Athletics for Women) championship match against the Bruins. Along with All-America honors, Cottle received the Broderick Award as the nation's top player, while Lynn was named to the AIAW all-tournament team. Other members of the 1978 National Championship team included Gayle Adamowicz, Jan Corley, Katrinka Crawford, Drora Epstein, Jill Hirschinger, Deia Kidd, Sheryl Meyer and Jo Vrazel.

(L-R): Katrinka Crawford, Jill Hirschinger, Sheryl Meyer, Deia Kidd. Back Row (L-R): Drora Epstein, Gayle Adamowicz, Jo Vrazel, Sandy Lynn, Lucia Chudy, Annette Cottle, Jan Corley.

**Lauren Goebel Keller (2010)** - Lauren Goebel Keller was a great setter/outside hitter for Utah State. A two-time Association for Intercollegiate Athletics for Women (AIAW) All-American, Goebel Keller helped Utah State to a national runner-up finish in 1979, an eighth-place national finish in 1980 and a third-place national finish in 1981. During the 1979 season, USU went 10-0 in the Intermountain Athletic Conference (IAC) and finished with a 35-5-2 mark as it lost to Hawai'i in five sets in the national championship match. Goebel Keller, who was also a two-time all-IAC selection, helped Utah State to a 134-57-2 (.699) record during her four-year career, including a 28-2 (.933) conference mark. Goebel Keller, who served as the team's captain from 1980-82, was also a two-time United States Volleyball Association (USVA) All-America. Goebel Keller spent four years (1976-79) on the Women's Junior National and Women's National Volleyball teams.

**Lucia Chudy (2015)** - Lucia Chudy was a great middle blocker for Utah State during its glory days in the late 1970's. A two-time Association for Intercollegiate Athletics for Women (AIAW) All-American and two-time all-IAC selection, Chudy helped Utah State volleyball to its only national championship in 1978 followed by a national runner-up finish in 1979, to go along with a 10th-place finish at the AIAW National Tournament in 1977. During the 1977 season, USU set the school-record for wins as it finished the year with a 46-11-2 record, including a 10-1 mark in the Intermountain Athletic Conference (IAC), as it went on to take first-place at the AIAW Regional Tournament. During its national championship run in 1978, USU posted a 42-4-2 record and began the season by winning its first 26 matches. USU also went 10-2 in conference play that season and concluded its national championship run by defeating UCLA in four sets in the AIAW National Championship match in Tuscaloosa, Ala. During the 1979 season, USU went 10-0 in conference play and finished with a 35-5-2 mark as it lost to Hawai'i in five sets in the national championship match. Chudy's success in volleyball continued after her college career, as she was a member of the U.S. Olympic Team in 1980-1981. She played professional volleyball in Italy for 10 years and was an assistant volleyball coach at Brown University from 1999-2004, helping the Bears win Ivy League championships in 2000 and 2002.

**Erin Cartwright-Davis (2018)** - Erin Cartwright-Davis was a three-year starter for Utah State and helped the Aggies to the 2001 NCAA Tournament, where they advanced to the second round and finished the year ranked 21st nationally. Following her senior season in 2003, Cartwright-Davis was named to the American Volleyball Coaches Association (AVCA) All-West Region Team, along with earning AVCA honorable mention All-America honors. During her senior season, she hit .299 (490-169-1,074) and averaged 4.45 kills, 2.66 digs, 1.14 blocks, 0.27 service aces and 0.22 assists per set, as those 490 kills were a school record at the time and still ranks as the fourth-most in a single-season in school history, while her 33 solo blocks still ranks third and her .299 hitting percentage ranks eighth. Cartwright-Davis put up similar numbers as a junior, as she hit .310 (458-148-999) and averaged 4.24 kills, 1.68 digs, 1.11 blocks, 0.23 assists and 0.17 service aces per set. Those 458 kills rank as the eighth-most in a single-season in school history, while her .310 hitting percentage that season still ranks as the sixth-best. Her career high for kills was 33 against Pacific during her senior season, a match where she also had a career-best 25 digs. **UTAH STATE UNIVERSITY**

This \$9.7 million, 32,000 square-foot volleyball competition and basketball practice facility venue contains a regulation-size volleyball competition court with chair back seating for 1,400 fans and two regulation-size basketball courts, along with a training room and in-season strength and conditioning area.

Office space for both men's and women's basketball and volleyball is also included in the facility, as well as a locker room and film room for volleyball.

Completed in June of 2013, Utah State's \$6.5 million, 26,329-square-foot iFIT Sports Performance Center features areas for weight training, cardiovascular workouts and speed and agility training, as well as offices for staff. Built on existing university property at the northwest corner of Maverik Stadium, the state-of-the-art multi-level facility alleviated overcrowding in the previous 5,800-square-foot strength and conditioning center and accommodates almost 400 student-athletes from 16 sports programs. The iFIT Sports Performance Center is the largest such facility in the Mountain West and rivals any strength and conditioning complex in the country.

The Dale Mildnerberger Sports Medicine Complex and the Dr. John Worley Sports Medicine Research Center is one of the finest in the nation with over 11,000 square feet to provide maximum service to Utah State's 16 intercollegiate sports and 400-plus student-athletes. Among the many amenities are 24 treatment tables, a 2,000 square foot physical therapy and rehabilitation center, and three hydroworx therapy pools for non-weight or partial weight-bearing rehabilitation to enhance recovery. The Sports Medicine Complex also houses office space for four full-time staff members and 12 graduate assistants, a team physician examination room and physical therapy office.

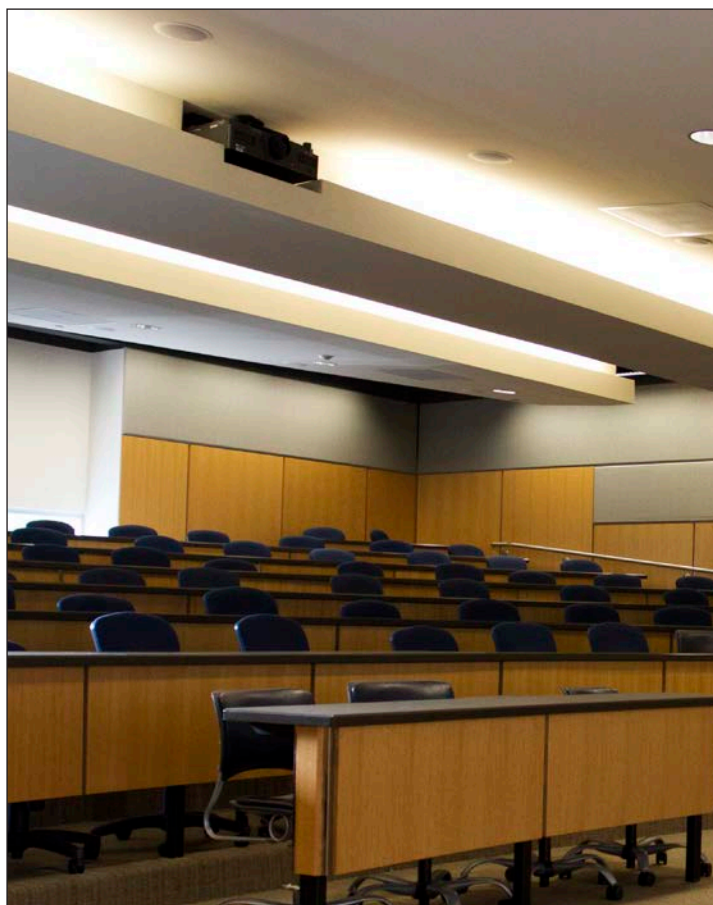

With the addition of the new facilities and the continued cooperation between Utah State Athletics, Intermountain HealthCare and HPER/Exercise Science, Utah State University is becoming one of the foremost sports medicine research institutions in the intermountain west.

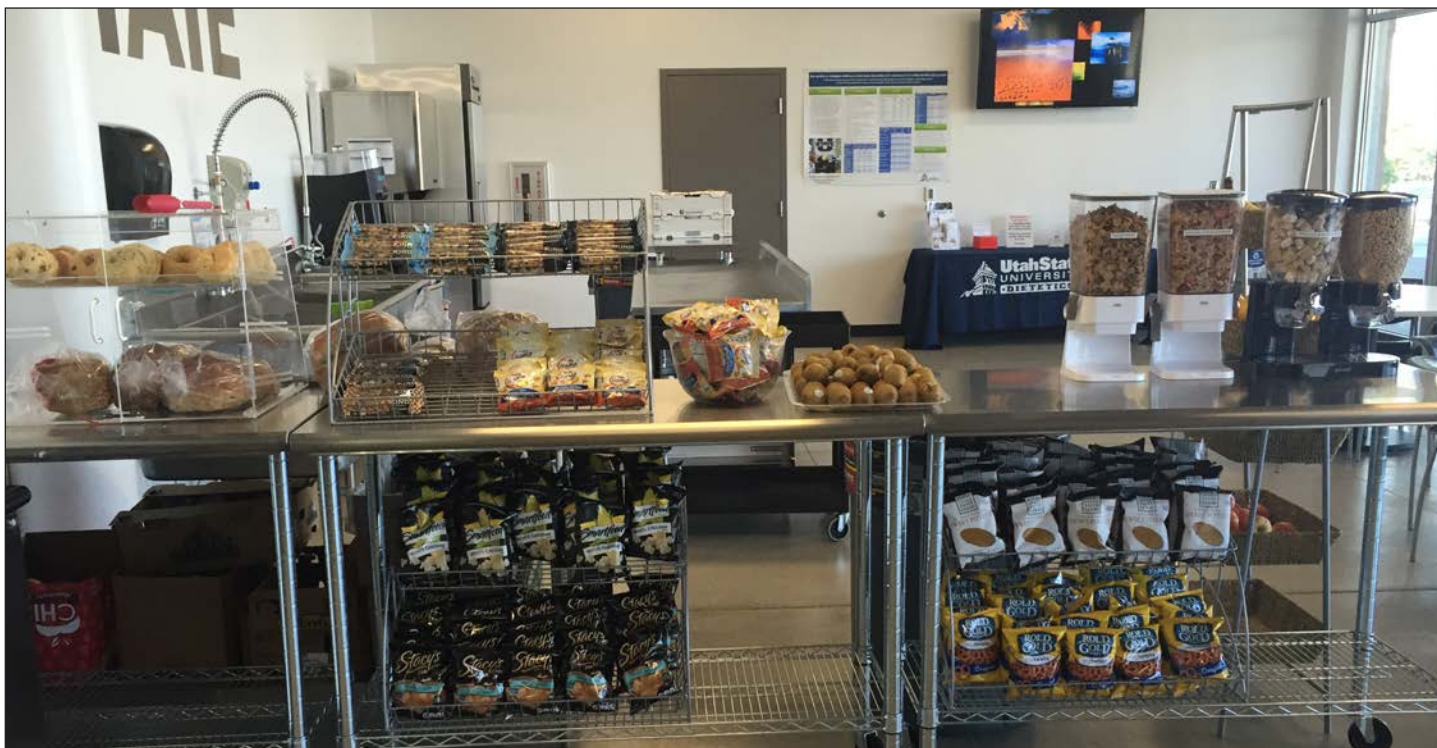

The three-story, 69,000-square-foot Jim and Carol Laub Athletics-Academics Complex is a state-of-the-art multi-purpose facility that meets all of the athletic and academic needs of Utah State's 16 sports programs and nearly 400-plus student-athletes. Within the facility, which was completed in the summer of 2008, is the 11,000-square-foot Dale Mildenberger Sports Medicine Complex and Dr. John Worley Sports Medicine Research Center, the Steve Mothersell Athletics Hall of Honor and the 7,000-square-foot J. Ken "Kenny" Seamons Equipment Room. Also located on the first floor are locker rooms for football, while the second floor features a 120-seat auditorium. The student-athlete academics center is located on the third floor, which includes numerous study hall and tutor areas, a computer lab and the Dr. Randall and Julianne Stockham Student-Athlete Academics Hall of Honor. The third floor also houses coaches' offices and meeting rooms for the track & field and cross country programs as well as the compliance offices.

The Aggie Fueling Station, located on the bottom floor of the ICON Sports Performance Center, was created prior to the start of the 2016-17 school year by representatives from the nutritional program and athletics, who had a goal of working together to provide student-athletes with the food they need to complement the physical demands of training and nutrition. The fueling station is stocked with appetizing food focused on combining convenience and nutrition. Student-athletes can choose from a variety of fresh fruits and vegetables, cheese, milk, chicken, yogurt, beef jerky, peanut butter, trail mixes and much more. Workers at the fueling station prepare fruits and vegetables, measuring out serving sizes, restock the serving area and plan the daily special. In addition to food preparation, volunteers are on site to answer nutrition questions from student-athletes and give presentations about health and wellness to all 16 of Utah State's sports programs.

Utah State student-athletes are able to attend a training table three times a week during the fall and spring semesters. The menu for the meal is planned by Utah State nutritionists and the strength & conditioning staff to supplement each student-athlete's nutrition needs and to keep each in top physical condition.

Plain and simple, people who have been to Utah State University love it. No other place provides the complete package quite like USU: top-notch academics, nationally recognized research, Division I athletics, and more than 200 student clubs and organizations, all on the oldest residential campus in the state. And the mountains. USU, located in Logan, Utah, is just 15 minutes from two mountain ranges and within a half day's drive of six national parks, including Yellowstone. It has big-school opportunities with a small-school feel, and it's all for a great value. In fact, USU is the No. 2 public university in the West (and top three in the nation) for lowest tuition on Forbes' list of America's Top Colleges (2013).

The Cache Valley, a fertile green valley with lakes and streams, is surrounded by the Wellsville Mountains (above photo) on the west and the Bear River Range on the east. Just east of Logan is the Wasatch-Cache National Forest, accessed by Logan Canyon Scenic Byway (Hwy. 89). Logan Canyon is filled with geological wonders, including vertical rock formations, caves and wind tunnels. Thirty minutes from Logan, Beaver Mountain Ski Resort is a popular winter getaway. Fifteen minutes beyond Beaver Mountain, the summit of Logan Canyon is a breathtaking view of turquoise-colored Bear Lake.

## ELIZABETH R. CANTWELL

Chicago, 1976  
August, 2023 - Present (First Year)

Elizabeth (Betsy) R. Cantwell will become Utah State University's 17th president on Aug. 1, 2023. Before coming to USU, she was the senior vice president for research and innovation at the University of Arizona, where she was responsible for an \$825 million annual research portfolio; the 1,268-acre UA Tech Park,

one of the nation's premier university research parks; and a research and innovation enterprise that spanned 20 academic colleges with locations across Arizona, 12 university-level centers and institutes, and other major research-related affiliated organizations conducting classified and contractual work.

She also devoted time to student-athlete focused programs and projects, believing that athletics programs have power to help land-grant universities serve the public and raise awareness of the good these institutions do in communities.

Cantwell previously served as Arizona State University's vice president for research development and CEO of the ASU Research Enterprise. She led an organization of 150 and grew the overall research enterprise at ASU from \$435 million to \$680 million over three years, and in her CEO role, she grew the applied research entity from no contracts to \$15 million in annual awards.

Before her work in university research leadership, she served the U.S. national security mission as the Lawrence Livermore National Laboratory's director for economic development and director for engineering mission strategy, and earlier as the deputy associate director for global security at the Oak Ridge National Laboratory, where she worked with the U.S. Departments of Energy and Defense, the National Nuclear Security Administration, the Defense Threat Reduction Agency, and NASA.

Cantwell is a graduate of the University of Pennsylvania, Wharton School (MBA, 2003); the University of California, Berkeley (Ph.D., Mechanical Engineering, 1992); and the University of Chicago (BA, Human Behavior 1976).

A member of the National Academy of Sciences Engineering and Medicine's Committee on NASA Critical Workforce, Technology & Infrastructure, Cantwell participated in its most recent Academy Strategic Planning Committee. She has served as the co-chair of the Aeronautics and Space Engineering Board and as a member of several National Academies studies in space science, space systems engineering, National Laboratories operations, and advanced manufacturing. She is a fellow of the American Association for the Advancement of Science in industrial science and technology. She also serves on the Board of Directors for the Center for the Advancement of Science in Space (CASIS), the managing entity for the International Space Station U.S. National Laboratory.

**DIANA SABAU**  
UNIVERSITY VICE PRESIDENT/  
DIRECTOR OF ATHLETICS

Diana Sabau (Say-bo) was named Utah State's Vice President and Director of Athletics on Aug. 7, 2023, by University President Elizabeth Cantwell.

Sabau joined Utah State after spending two-plus years as the Deputy Commissioner and Chief Sports Officer for the Big Ten Conference, where she oversaw the administration of all 28 sponsored sports, which included managing affiliate memberships, competition, scheduling, championships, sportsmanship, officiating and awards. The role, created in 2021, made Sabau the first Big Ten Conference chief sports officer in the 125-year history of the league.

Sabau also provided departmental oversight of football, basketball, hockey, Olympic sports and officiating administration for the Big Ten.

Prior to joining the Big Ten, Sabau served as Senior Deputy Athletics Director for Ohio State University, which is one of the nation's most successful and comprehensive athletics programs with 36 fully funded varsity sports and more than 1,000 student-athletes. Within her tenure, she served as sport administrator for football, women's ice hockey and the co-ed rifle and pistol programs.

During her four years as sport administrator for Ohio State football, the team won four-consecutive Big Ten championships, participated in the college football playoffs and garnered numerous academic accolades and achievements.

Sabau reinvigorated and redefined Ohio State's women's ice hockey program. As sport administrator, she conducted a thorough national search and recruited Minnesota assistant coach and Golden Gopher all-time leading scorer Nadine Muzerall as Buckeye head coach. With Sabau as program administrator, Muzerall was twice named coach of the year in the Western Collegiate Hockey Association (WCHA), first in 2018, and, again in 2020. In 2018, the Buckeyes received an at-large bid to the NCAA Women's Ice Hockey Tournament and advanced to their first-ever NCAA Women's Frozen Four.

In 2020, Ohio State's women's ice hockey team achieved its best season ever, advancing to the NCAA Women's Frozen Four for the second time under Muzerall, and winning the first WCHA championship for the program. Though this automatically qualified the Buckeyes for the 2020 NCAA Women's Ice Hockey Tournament, it was canceled due to the COVID-19 pandemic and the team received an at-large bid for the 2021 Women's Ice Hockey Tournament. Further, every single member of Muzerall's team

earned the OSU Scholar-Athlete (grade-point average of 3.0+) distinction in 2020 and again in 2021.

Sabau was also responsible for revenue generation and accountable for an unprecedented, multi-million-dollar partnership agreement with Nike and the university. During the COVID-19 pandemic, she demonstrated steady leadership and forward-thinking, closing a multi-million-dollar term extension between concessionaire Levy Restaurants and the university.

As television liaison for Ohio State's athletic department, Sabau was responsible for bringing ESPN "College GameDay Built by The Home Depot" back to campus on select game days for live, remote pre-game coverage.

Also, as deputy director, Sabau coordinated Ohio State's overall athletics brand messaging and managed partnership agreements with Learfield IMG College, NIKE, Gatorade, CBS digital, Coke and the Big Ten Network. Further, she oversaw the departments of ticket office, out-bound ticket sales, fan experience and promotions, marketing and social media, video services, as well as the OhioStateBuckeyes.com website. Her deputy director responsibilities included athletics brand messaging coordination, strategic planning, maximizing partnerships for the student-athlete experience, tracking trends in technology for business advancement and public relations.

As department liaison with Ohio State's office of the president, Sabau worked with its chief of staff and communications team to develop collaborative and wide-range messaging and crisis management plans. She provided student-athlete advocacy and insight to influence policy decisions made by the senior management council, a collective that included leaders from government affairs, the office of the general counsel, student life, communications and marketing, business and finance, talent and culture, administration and planning, as well as leaders from select academic departments.

Sabau was a member of the executive team for the Columbus Local Organizing Committee that planned and hosted the 2018 Women's NCAA Final Four. Chief among her responsibilities were ticket sales, budgeting, student-athlete engagement and fan experience and promotions.

Sabau is a member of the National Society of Collegiate Directors of Athletics (NACDA) and Women Leaders in College Sports (womenleadersincollegesports.org) and serves on the Executive Board for Women Leaders in College Sports. She was also recently appointed to the John McLendon Minority Scholarship Foundation Board of Directors. Through participation in the McKinsey Institute professional development program, she holds certificates in enterprise agility, change leadership, centered leadership, and executive transitions.

She earned a master's in sports administration from Ohio University, a bachelor's degree from St. Bonaventure University and attended Oxford University, Somerville College. Sabau and her husband, Jamie, have two children.

## THIS IS THE MOUNTAIN WEST

From its inception in 1999, the Mountain West has been committed to excellence in intercollegiate athletics, while promoting the academic missions of its member institutions. Progressive in its approach, the MW continues to cultivate opportunities for student-athletes to compete at the highest level while fostering academic achievement and sportsmanship. Now in its 23rd year, the MW has been assertive in its involvement with the NCAA governance structure and has taken a leadership role in the overall administration of intercollegiate athletics.

The Mountain West has marked several achievements during its first 22 years, most notably becoming the first to establish a sports television network dedicated solely to an intercollegiate athletic conference (The Mtn.). The Mountain West also was the first to experiment with the coaches' challenge in the college football instant replay system and was the first non-automatic-qualifying BCS conference to participate in four BCS bowl games, winning three. In the inaugural year of the new College Football Playoff system, Boise State earned the automatic slot into a New Year's Six bowl game as the highest-ranked champion from the Group of Five 5 conferences. The Broncos defeated then 10th-ranked Arizona 38-30 in the VIZIO Fiesta Bowl. In 2011-12, the Mountain West was among the first conferences to implement a league-wide state-of-the-art basketball instant replay system.

The Mountain West is noted for its geographic diversity. Some of the most beautiful terrain and landscapes in the nation can be found within Mountain West boundaries, including the majestic Rocky Mountain range, which borders five MW institutions (Air Force, Boise State, Colorado State, New Mexico and Utah State). The high plains of Wyoming (elevation 7,220 feet – the highest Division I campus in the nation) contrast with the desert cities of Las Vegas and Reno, home to UNLV and Nevada, respectively, while Fresno State, San Diego State and San José State add a West coast influence with their locations in Central, Southern and Northern California. The inclusion of the Hawai'i football program extends the Mountain West footprint to the beautiful islands in the Pacific Ocean,

while the addition of the women's soccer program at Colorado College gives the MW an additional presence in the Rocky Mountains.

## HISTORY OF THE MOUNTAIN WEST

The Mountain West was conceived on May 26, 1998, when the presidents of eight institutions — Air Force, BYU, Colorado State, New Mexico, San Diego State, UNLV, Utah and Wyoming — decided to form a new NCAA Division I-A intercollegiate athletic conference. The split from a former 16-team conference re-established continuity and stability among the membership within the new league and signaled the continuation of its tradition-rich, long-standing athletic rivalries. Three of the MW's eight original members have been conference rivals since the 1960s (New Mexico, Wyoming and Colorado State), while San Diego State (1978) and Air Force (1980) were longtime members as well. UNLV and TCU entered the fold in 1996 and the Rebels continued as one of the original eight institutions that formed the MW in 1999. TCU rejoined the group with its first year of competition in the Mountain West in 2005-06. With conference realignment sweeping the nation in recent years, the MW has been proactive in addressing membership changes. Boise State University joined the Mountain West in 2011-12, followed by Fresno State and the University of Nevada on July 1, 2012. Also on July 1, 2012, the University of Hawai'i became a football-only member of the Conference. On July 1, 2013, the Mountain West further expanded when San José State University and Utah State University joined the Conference, bringing to 11 the number of full-time member institutions and 12 football-playing members. On July 1, 2014, the Colorado College women's soccer program became the first non-football affiliate member of the Mountain

West, expanding that sport to 12 Conference participants.

When the Mountain West officially began operations on July 1, 1999, the new league had in place a seven-year contract with ESPN, giving the broadcast entity exclusive national television rights to MW football and men's basketball, and three-year agreements to send the league's football champion to the Liberty Bowl and a second team to the Las Vegas Bowl. Commissioner Thompson also arranged a third bowl tie-in each of the first three seasons (1999 Motor City, 2000 Silicon Valley, 2001 New Orleans) before securing a four-year deal with the Emerald Bowl in San Francisco in 2002.

Entering the 2021 season, the MW has nine (9) postseason opportunities, including a spot in a New Year's Six Bowl (highest ranked non-autonomous 5 champion), six (6) primary bowl positions with the Jimmy Kimmel Los Angeles Bowl, Arizona Bowl, Famous Idaho Potato Bowl, New Mexico Bowl, SoFi Hawai'i Bowl and an ESPN Events-operated bowl, likely to be held in the Dallas-Fort Worth Metroplex - and two (2) secondary positions.

An innovator in the postseason bowl structure, the MW engineered many "firsts," as league teams have participated in seven inaugural bowl games (2000 Silicon Valley, 2001 New Orleans, 2002 San Francisco (Emerald), 2005 Poinsettia, 2006 New Mexico, 2015 Arizona, 2015 Cure), as well as placing the first non-automatic-qualifying FBS team into a BCS bowl game with Utah's appearance in the 2005 Tostitos Fiesta Bowl and into the College Football Playoff (CFP) with Boise State's selection to the 2014 Tostitos Fiesta Bowl.
